Dear Friend,

I am writing this letter on behalf of a young man named Jeff LaBouef who was involved in a serious motorcycle accident on November 20, 2010. Luckily Jeff survived his life threatening injuries, but will have a long road to recovery ahead of him. Prior to this accident Jeff was a hard worker holding both a full time job at IBA Inc. and also a part time job at Best Buy, both in Millbury, MA. Due to his extensive injuries he is currently unable to work with the possibility of never returning to his prior positions. He is facing the possibility that he may never regain full use of his left arm due to a diagnosis of brachial plexus and a spinal cord injury.

Unfortunately the driver that hit Jeff had minimal auto insurance, leaving him and his family burdened with an overwhelming amount of hospital and medical bills. Jeff's parents have taken on tremendous additional financial responsibilities as well trying to just meet the costs of therapies and prescriptions. This will impact Jeff and his family for years to come.

To help the family survive this financial and emotional crisis we are planning to have a benefit at the Charles F. Minney VFW Post in Millbury, MA on March 12, 2011. Our hope is to raise money through ticket sales and donations to be raffled off the night of the event. We would be ever so grateful if your business would consider offering any help with donations to this important cause.

*With much gratitude,
Friends and Family of Jeff LaBouef*
